

Holiday House Showcases Top Interior Designers To Raise Money For Breast Cancer Research

October 24, 2018 at 11:23 pm Filed Under: [Alex Denis](#), [Breast Cancer](#), [Holiday Hous](#), [Holiday House NYC](#), [Iris Dankner](#), [Local TV](#), [New York](#), [Upper East Side](#)

NEW YORK (CBSNewYork) – In the heart of the Upper East Side at East 76th Street and Park Avenue, you'll find this year's [Holiday House NYC](#).

Top [interior designers](#) have reimagined the 13,000 square foot mansion to raise money for [breast cancer](#) research.

When [designer](#) Iris Dankner founded Holiday House 11 years ago, she had beaten breast cancer and was looking to heal.

"You can do projects for charity, but you wonder how effective they are. But Holiday House has an established record," said Perry Sayles, of Perry Sayles [Interior Design](#)
